Proposed Budget Development Timetable

- 7-month strategy focussed on 2023-24 budget development

Remote Day Planning Discussion and Hearing

- NYSED has allowed to continue with the “Remote Snow Day Pilot” Program for 2022-23.
- This option can be permanent as part of our District Safety Plan (which is updated and adopted annually)
- Seeking approval to keep this as an option for 2022-23 and to develop language to amend the Safety Plan for subsequent years.
- This could potentially be used either in the situation of a well-forecasted storm, or if using another emergency day could infringe upon a preplanned school recess.

Alyssa's Law

- Legislation (S.7132B/A.10018) Requires Schools to Consider Silent Panic Alarm Systems as Part of Safety Plans

BOE Development: Policies and Procedures

- Postponing until November due to length of October Agenda and number of presentations
