

Boquet Valley Central School District

OASIS Sign Ups

Mountain View

Session 1

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Mountain View began on **Monday, September 9th** and continues through the school year. If you would like your child/children to participate, **please fill out the Mountain View** registration form which can be found on Parent Square and the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at the Mountain View Campus. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child MUST have a completed form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

The program will run from 2:45pm to 5pm on Monday through Thursday on normal school days and is free to all participants. The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in the program they signed up for, and participate in homework help using Paper Edu and teacher assistance. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at mmiller@boquetvalleycsd.org.

We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,
Marcail Miller
OASIS Program Coordinator

Hello Griffins!

Welcome back! We are so excited to start the school year with you!

Our first session of OASIS programs are here! Your child needs an OASIS registration form filled out and submitted to the Mountain View office BEFORE their first after school program. I will accept them via email or hard copies. Please use this link to find the registration forms: <https://boquetvalleycsd.org/oasis-after-school-program/> If you need help with this or have any questions email Marcail Miller at (mmiller@boquetvalleycsd.org). Once one has been filled out you are all set for the academic school year.

This sign up will only count for the first session beginning September 9th - October 10th.

Please rank your activities in order of interest for the first session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

Please note the new schedule:

2:45 PM - 3 PM: Snacks and sign in, go to programs

3 PM - 3:45 PM: Open Library, Tutoring, Homework Club, or other academic enrichment opportunities

3:45 PM - 5 PM: Enrichment programs, recreational programming, experiential learning programming

5PM: Pick up, Walk to the Social Center, etc.

If your student is only interested in open library/academic enrichment then they are able to participate in only that 45 minute section if they want! Please indicate this on the note section of the form.

YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.

All submissions are due on a rolling basis because of the short notice. This form will close on Friday, September 13th. Program confirmations will be sent out on a rolling basis but no later than Friday, September 6th.

Once we have received all submissions, we will place you in as many of your preferred activities as possible. *If you need to submit for more than one child, please make separate submissions.* If you have any questions, please reach out to Marcail Miller at mmiller@boquetvalleycsd.org.

Thank you for your interest and we look forward to a very fun year!

Session 1: September 9th - October 10th

Mondays: Walking Club

Join Mrs. Oliver for the Walking Club! Who knows where your adventures might take you!

Mondays: Getting Back to Our Roots

Students will engage in unstructured play, an approach advocated by sociologists to foster creativity and cognitive development. In inclement weather, indoor play will be facilitated, providing access to a diverse array of toys and resources. However, outdoor play is preferred, as it allows students to interact with natural environments. In both settings, students will have the autonomy to select and utilize resources according to their individual preferences and interests.

Mondays: Debate

This is for students in grades 6-7 only.

Join Mr. Schultz at Lake View Campus for some riveting learning about argumentation. Have you ever tried it before? Fear not, Mr. Schultz is happy to teach newcomers in grades 6-7. Students will need to get on the bus to go to Lake View Campus and then go to room 201. OASIS staff will be waiting for you!

Tuesdays: Baking Club

Join Essex County Preventive Team Member, Mrs. Boyea, to make some yummy foods! There are a max of 6 students so sign up quickly as there is a lot of interest. The dates offered this session are 9/10, 10/1, and 10/8.

Tuesdays: Mountain Biking/Biking on Mountain Bikes

Join Mrs. Loher for some fun bike adventures while the weather is still warm! This is open to students who are familiar with riding a bike and are able to ride on their own.

Wednesdays: Ingenuity of the Future

Traverse many different fields with 4-H Educator, Jake, in engineering including watersheds, aquifers, solar water pumps, oceanography and hydrographic mapping.

Wednesdays: World Cultures Club

For this program, Madame Chan will be guiding the students through a series of engaging activities tailored to their age group. They will work through videos and group discussions on a variety of topics such as cultural viewpoints, diversity, and different celebrations and traditions. They will explore winter holidays, customs, rituals, and even festivals. Depending on the time of year, they might incorporate some fun arts and crafts related to the holidays. She will adjust the activities based on the students' interests and preferences. If there's anything specific your child is excited about, please let Marcail know!

Thursdays: Archery

Join Mrs. Larkin for a fun time learning archery skills. This is open to all levels! There is a maximum of 8 students so sign up today!

Please note academic offerings occur everyday for the first 45 minutes - hour of programming.

Please indicate if your student wants to participate in only academic enrichment in the notes section otherwise they will be doing it before any of the above programs they select.

Please list the activities in order of preference:

Student Name:

- 1.)
- 2.)
- 3.)
- 4.)
- 5.)

Notes:
