

Boquet Valley Central School District

## **OASIS Sign Ups**

Lake View

Session 5

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Lake View began on Monday, September 9th and continues through the school year. If you would like your child/children to participate, **please fill out the [ACAP/OASIS registration form](#)** on the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at Lake View. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child **MUST** have a completed ACAP/OASIS form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

**The program will run from 3:10pm to 5:15pm on Monday through Thursday on normal school days and is free to all participants and on early release days from 12-3pm.** The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in gamified academic enrichment, and their chosen program. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org). We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,  
Marcail Miller  
OASIS Program Coordinator

Hello Griffins!

This sign up is for session five! Your child needs an OASIS registration form filled out and submitted to the Lake View office BEFORE their first after school program. Please use this link for the registration forms: <https://boquetvalleycsd.org/oasis-after-school-program/>  
I will also accept them via email or hard copies. If you need help with this or have any questions email Marcail Miller at (mmiller@boquetvalleycsd.org).

This sign up will only count for the 5th session beginning February 10th - March 20th.

The program schedule has *changed* to support our students in academic excellence. It will operate as outlined below. If you have any questions about this change then please feel free to contact Marcail Miller.

3:00 - 3:15 PM: Snacks and unstructured play time

3:15 - 4 PM: Academic Support/Enrichment

4:00 - 5:00 PM: Programs

5:00 PM: Wrap up and grab belongings

**5:00-5:30 PM: Parent Pick up**

Please rank your activities in order of interest for the fourth session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

**YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.**

**All submissions are due on a rolling basis but this sign up will close on February 7th. Program confirmation emails will be sent out on a rolling basis but no later than February 7th. Please speak with Marcail if you want to sign up after February 7th.**

Once we have received all submissions, we will place you in as many of your preferred activities as possible.

*If you need to submit for more than one child, please make separate submissions.*

If you have any questions, please reach out to Marcail Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org).

Thank you for your interest and we look forward to a very fun year!

Session 5: February 10th - March 20th activities :

**Mondays: Drama**

**\*This is for grades 3-5 only.\***

Join Mrs. George for a continuation of Monday drama meetings!

**Mondays: Lego Stop Motion**

**\*This is for grades 4-5 only.**

Students will work in groups of 2-4 for the duration of the program. This program will cover an intro into stop motion and brainstorming, creating a storyboard, creation of setting a background, film production and editing. This group is welcoming of all levels. There is a max of 10 students

**Tuesdays: Free Swim**

**\*This is for grades 3-5.\***

Students will go to Moriah Central School to continue working and building their swimming skills. This is for students who are already proficient swimmers and can pass a swim test (including swimming width/length of pool, comfortable in water, etc). This program requires a permission slip.

**Tuesdays: Outdoor Adventure with Champlain Area Trail System**

**\*This is for grades 3-5 only.\***

The Outdoor Adventure program invites kids to explore the beauty of nature through a variety of engaging activities with Champlain Area Trails. Participants will have the opportunity to snowshoe across the Champlain Valley, discover exciting trails, and enjoy fun outdoor games. Kids will learn essential outdoor skills, hike some of the CATS trails, and play in winter conditions. This program includes two days of going off site which requires a permission slip.

**Wednesdays: Animal Science**

**\*Grades 3-5 only.\***

This program explores various aspects of animal science through hands-on activities and engaging lessons. Week one focuses on livestock animals, followed by a continuation in week two. Participants also dive into biological oceanography with a squid dissection, study North American bears through anatomy lessons and a bear mask activity, and explore paleontology with a fossil dig experience.

**Thursdays: Pottery**

**\*This is for grades 3-5 only.\***

Join Mr. Caldwell to work on learning more about pottery or to continue developing your potter skills. Max of 8 students.

**Thursdays: Ice Skating**

**\*This is for grades 3-5 only.\***

Are you ready to feel the brisk fresh air in your face as you sharpen your ice skating skills? Bring your skates and join Mrs. Meachem Hughes on Thursdays! We are going to utilize the Ballard Park ice skating rink. Not sure where to store your skates? You can bring your skates to her room before school starts. If you would like to leave them in her room for the duration of the

session, you are welcome to do that as well. Fingers crossed that the weather will hold out for the duration of the session. There will be an 8 student limit as this activity is off campus. This program requires a permission slip.

**Please contact Marvail ([mmiller@bouquetvalleycsd.org](mailto:mmiller@bouquetvalleycsd.org)) to get the registration form or answer any questions.**
