

Boquet Valley Central School District

OASIS Sign Ups

Mountain View

Session 5

Dear Boquet Valley Parents and Guardians,

The OASIS afterschool program at Mountain View began on **Monday, September 11th** and continues through the school year. If you would like your child/children to participate, **please fill out the Mountain View** registration form which can be found on Parent Square and the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at the Mountain View Campus. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child MUST have a completed form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

The program will run from 2:45pm to 5pm on Monday through Thursday on normal school days and is free to all participants. The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in the program they signed up for, and participate in homework help using Paper Edu and teacher assistance. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at mmiller@boquetvalleycsd.org.

We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,
Marcail Miller
OASIS Program Coordinator

Hello Griffins!

Our fifth session of OASIS programs are here! Your child needs an OASIS registration form filled out and submitted to the Mountain View office BEFORE their first after school program. I will accept them via email or hard copies. Please use this link to find the registration forms:

<https://boquetvalleycsd.org/oasis-after-school-program/>

If you need help with this or have any questions email Marcail Miller at (mmiller@boquetvalleycsd.org). Once one has been filled out you are all set for the academic school year.

This sign up will only count for the 5th session starting February 10th and ending on March 20th.

Please rank your activities in order of interest for the fifth session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

Please note the new schedule:

2:45 PM - 3 PM: Snacks and sign in, go to programs

3 PM - 3:45 PM: Open Library, Tutoring, Homework Club, or other academic enrichment opportunities

3:45 PM - 5 PM: Enrichment programs, recreational programming, experiential learning programming

5PM: Pick up, Walk to the Social Center, etc.

If your student is only interested in open library/academic enrichment then they are able to participate in only that 45 minute section if they want! Please indicate this on the note section of the form.

YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.

All submissions are due on a rolling basis but this sign up will close on February 7th. Program confirmation emails will be sent out on a rolling basis but no later than February 7th. Please speak with Marcail if you want to sign up after February 7th.

Once we have received all submissions, we will place you in as many of your preferred activities as possible.

If you need to submit for more than one child, please make separate submissions.

If you have any questions, please reach out to Marcail Miller at mmiller@boquetvalleycsd.org.

Thank you for your interest and we look forward to a very fun year!

Session 5: February 10th - March 20th

Mondays: Basketball Basics with Brugger

Join Mrs. Brugger to learn some basic basketball skills! You don't have to have any experience, just a positive attitude and willingness to learn. Depending on the group, it may involve some other sports like indoor soccer, pickleball, tennis, etc!

Mondays: Archery

Join Mrs. Larkin to learn all things archery! Spend time target practicing and getting pointers on how to aim even better than before!

Tuesdays: North Country SPCA Community Service Days

This program offers students the chance to volunteer at a local animal shelter, where they'll assist with tasks like walking dogs, cleaning enclosures, and supporting adoption events. The program teaches responsibility, teamwork, and empathy while giving students a hands-on opportunity to make a positive impact on animals in need. Participants will develop valuable skills and enjoy the rewarding experience of giving back to their community.

Tuesdays: Baking Club

Join Essex County Preventive Team Member, Mrs. Boyea, to make some yummy foods! There are a max of 6 students so sign up quickly as there is a lot of interest. This program runs the following dates: 3/4, 3/11, and 3/18.

Wednesdays: Mural Club

Join the Mural Club for grades 6-12! Led by Mrs. Larkin, students will collaborate to design and paint vibrant murals on the school walls, showcasing creativity and school spirit. No prior experience needed—just a love for art and teamwork!

Thursdays: Free Swim

Students will go to Moriah Central School to continue working and building their swimming skills. This is for students who are already proficient swimmers and can pass a swim test (including swimming width/length of pool, comfortable in water, etc).

Thursdays: Middle School Math Club

Mrs. Reynolds is offering a time for middle school students to work on their math homework! This program is just for an hour and focused on middle school math work. You will be able to work on other homework as well but she will work one on one with students who want to focus on math.

Please note academic offerings occur everyday for the first 45 minutes - hour of programming. Please indicate if your student wants to participate in only academic enrichment in the notes section otherwise they will be doing it before any of the above programs they select.

Student Name:

Please list the activities in order of preference:

- 1.)
- 2.)
- 3.)
- 4.)
- 5.)

Notes:
