

Boquet Valley Central School District

## **OASIS Sign Ups**

Mountain View

Session 6

Dear Boquet Valley Parents and Guardians,

The OASIS afterschool program at Mountain View began on **Monday, September 11th** and continues through the school year. If you would like your child/children to participate, **please fill out the Mountain View** registration form which can be found on Parent Square and the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at the Mountain View Campus. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child MUST have a completed form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

**The program will run from 2:45pm to 5pm on Monday through Thursday on normal school days and is free to all participants.** The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in the program they signed up for, and participate in homework help using Paper Edu and teacher assistance. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org).

We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,  
Marcail Miller  
OASIS Program Coordinator

Hello Griffins!

Our 6th session of OASIS programs are here! Your child needs an OASIS registration form filled out and submitted to the Mountain View office BEFORE their first after school program. I will accept them via email or hard copies. Please use this link to find the registration forms:

<https://boquetvalleycsd.org/oasis-after-school-program/>

If you need help with this or have any questions email Marcail Miller at (mmiller@boquetvalleycsd.org). Once one has been filled out you are all set for the academic school year.

This sign up will only count for the 6th session starting March 24th to May 1st.

Please rank your activities in order of interest for the sixth session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

Please note the new schedule:

2:45 PM - 3 PM: Snacks and sign in, go to programs

3 PM - 3:45 PM: Open Library, Tutoring, Homework Club, or other academic enrichment opportunities

3:45 PM - 5 PM: Enrichment programs, recreational programming, experiential learning programming

5PM: Pick up, Walk to the Social Center, etc.

If your student is only interested in open library/academic enrichment then they are able to participate in only that 45 minute section if they want! Please indicate this on the note section of the form.

**YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.**

**This hard copy will be accepted on a rolling basis throughout the duration of Session 6.**

Once we have received all submissions, we will place you in as many of your preferred activities as possible.

*If you need to submit for more than one child, please make separate submissions.*

If you have any questions, please reach out to Marcail Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org).

Thank you for your interest and we look forward to a very fun year!

## **Session 6: March 24th - May 1st**

### **Mondays: Sport Skills with Brugger**

Join Mrs. Brugger to continue working on any sport skill you want to perfect! You don't have to have any experience, just a positive attitude and willingness to learn.

### **Mondays: Garden Crafts**

The Garden Crafts After School Club offers students a creative space to explore nature while embracing their creativity to design and make arts for their personal or school gardens. It's a fun, hands-on way to foster creativity and teamwork in a green, outdoor setting.

### **Tuesdays: Archery**

Join Mrs. Larkin to learn all things archery! Spend time target practicing and getting pointers on how to aim even better than before!

### **Wednesdays: Mural Club**

Join the Mural Club for grades 6-12! Led by Mrs. Larkin, students will collaborate to design and paint vibrant murals on the school walls, showcasing creativity and school spirit. No prior experience needed—just a love for art and teamwork!

### **Wednesdays: Cooking Club with Miss Mina**

Cooking Club was recently added to the lineup for Session 6. Sign up today to enjoy some locally sourced ingredients and yummy meals!

### **Thursdays: Middle School Math Club**

Mrs. Reynolds is offering a time for middle school students to work on their math homework! This program is just for an hour and focused on middle school math work. You will be able to work on other homework as well but she will work one on one with students who want to focus on math.

### **Thursdays: Curiosity Crew**

Join Mrs. Loher for some seriously messy fun and beyond! Have you ever made elephant toothpaste or what about slime? This crew will also experience other nature based learning like seed starting. If anyone has any questions they want to explore further then sign up for this group and let's see what kind of experiments we can create!

Please note academic offerings occur everyday for the first 45 minutes - hour of programming. Please indicate if your student wants to participate in only academic enrichment in the notes section otherwise they will be doing it before any of the above programs they select.

**Student Name:**

**Please list the activities in order of preference:**

- 1.)
- 2.)
- 3.)
- 4.)
- 5.)

**Notes:**
