

Boquet Valley Central School District

OASIS Sign Ups

Lake View

Session 6

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Lake View began on Monday, September 9th and continues through the school year. If you would like your child/children to participate, **please fill out the [ACAP/OASIS registration form](#)** on the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at Lake View. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child **MUST** have a completed ACAP/OASIS form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

The program will run from 3:10 pm to 5:15pm on Monday through Thursday on normal school days and is free to all participants and on early release days from 12-3pm. The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in gamified academic enrichment, and their chosen program. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at mmiller@boquetvalleycsd.org. We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,
Marcail Miller
OASIS Program Coordinator

Hello Griffins!

This sign up is for session 6! Your child needs an OASIS registration form filled out and submitted to the Lake View office BEFORE their first after school program. Please use this link for the registration forms: <https://boquetvalleycsd.org/oasis-after-school-program/>
I will also accept them via email or hard copies. If you need help with this or have any questions email Marcail Miller at (mmiller@boquetvalleycsd.org).

This sign up will only count for the 6th session beginning March 24th - May 1st.

The program will operate as outlined below. If you have any questions about this change then please feel free to contact Marcail Miller.

3:00 - 3:15 PM: Snacks and unstructured play time

3:15 - 4 PM: Academic Support/Enrichment

4:00 - 5:00 PM: Programs

5:00 PM: Wrap up and grab belongings

5:00-5:30 PM: Parent Pick up

Please rank your activities in order of interest for the fourth session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

Hard copy sign ups are accepted on a rolling basis throughout Session 6 of OASIS.

Once we have received all submissions, we will place you in as many of your preferred activities as possible.

If you need to submit for more than one child, please make separate submissions.

If you have any questions, please reach out to Marcail Miller at mmiller@boquetvalleycsd.org.

Thank you for your interest and we look forward to a very fun year!

Session 6: March 24th - May 1st activities:

Mondays: **Drama**

This is for grades 3-5 only.

Join Mrs. George for a continuation of Monday drama meetings!

Mondays: **Magic the Gathering**

***This is for grades 3-5 only.**

Students will immerse themselves in the world of magic through strategic gameplay while also developing their own unique storylines. As they create characters, explore new realms, and engage in friendly competition, they will document their adventures in journals, fostering both creative writing skills and critical thinking. This club combines the excitement of a magical world with the art of storytelling, helping students build both imagination and strategy. Mr. Schultz will be leading this program.

Tuesdays: **Lego Stop Motion**

***This is for grades 3-5 only.**

Students will work in groups of 2-4 for the duration of the program. This program will cover an intro into stop motion and brainstorming, creating a storyboard, creation of setting a background, film production and editing. This group is welcoming of all levels.

Tuesdays: **Cooking with Cornell Cooperative**

This is for grades 3-5 only.

Cornell Cooperative Extension is back! Come hungry and ready to make a bunch of different types of delicious foods! There are a maximum of 15 students.

Wednesdays: **Engineering with Cornell Cooperative Extension**

Grades 3-5 only.

This program offered through Cornell Cooperative Extension provides hands-on learning experiences focused on developing practical engineering skills. Participants engage in activities that foster problem-solving, innovation, and critical thinking, all while working with real-world engineering challenges.

Thursdays: **Slime Series**

Grades 1-5

Does anyone remember the summer slime series? Well, it's back but this time during the school year! Mrs. Bisselle is so excited to make different colored and textured slimes with you! Note: There are only ten spots so sign up today!

Thursdays: **Gardening/Wellness Club**

This is for grades 3-5 only.

Join Mrs. Baumann for a mix up of gardening and wellness! Since it is still early spring, we will start with wellness awareness and then move into gardening as the weather consistently warms up.

Please contact Marcaill (mmiller@bouquetvalleycsd.org) to get the registration form or answer any questions.
