- Adirondack Community Foundation (\$10,000): 10 bookshelves in the community, literacy/numeracy nights planned.

# Capital Project/EPC Update

## Capital Project

Proposals have been received for both geotechnical investigations and a site survey at the Mountain View campus. The proposals have been reviewed by the architect, who recommends awarding the following services:

- **Geotechnical Investigations:** Soil Borings throughout the site to assess subsurface conditions within the footprint of the proposed building addition. This work is required for foundation design.
  - Atlantic Testing Laboratories (ATL)
- **Site Survey:** A topographical survey of the Mountain View campus to document existing grades, utilities, and other site related information needed for the design of the proposed building addition, athletic field relocation, and entrance loop.
  - AES Northeast

## Energy Performance Contract

Project in NYSED Review Process, awaiting a vote date

# Facilities Updates

## Lake View Campus:

## Mountain View Campus:

# District Safety Plan

- Horace Nye→Essex Centers
- Included phone number for Town of Lewis

# CVES Land Sale

August 26

- CVES is holding a public vote on August 26, 2025, to authorize the sale of 15 acres of BOCES-owned land in Plattsburgh to Clinton County for \$420,000. The land was originally purchased in 2020 for \$8,000 per acre and is now being sold at fair market value (\$28,000 per acre). Proceeds will be distributed to the 16 component districts during the 2025–26 school year.
- Voting will take place from 10:00 AM to 7:00 PM at the CVES Learning Hub (Plattsburgh) and the CVES Mineville Campus. Early voting options are available. For more details or to apply for early voting, visit [www.cves.org/capital-project](http://www.cves.org/capital-project).

# Thank you
