

Boquet Valley Central School District

OASIS Sign Ups

Mountain View

Session 5

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Mountain View begins on **Monday, September 8th** and continues through the school year. If you would like your child/children to participate, **please fill out the Mountain View** registration form which can be found on Parent Square and the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at the Mountain View Campus. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child MUST have a completed form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

The program will run from 2:45pm to 5pm on Monday through Thursday on normal school days and is free to all participants. The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in the program they signed up for, and participate in homework help using Paper Edu and teacher assistance. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at mmiller@boquetvalleycsd.org.

We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,
Marcail Miller
OASIS Program Coordinator

Hello Griffins!

Our fifth session of OASIS programs are here! Your child needs an OASIS registration form filled out and submitted to the Mountain View office BEFORE their first after school program. We accept them via email or hard copies. Please use this link to find the registration forms: <https://boquetvalleycsd.org/oasis-after-school-program/>

If you need help with this or have any questions email Gwen Westover at (gwestover@boquetvalleycsd.org). Once one has been filled out you are all set for the academic school year.

This sign up will only count for the fifth session running from February 9th - March 19th.

Please rank your activities in order of interest for this session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

Please note the schedule:

2:45 PM - 3:45 PM: Snacks, Sign In, Open Library, Tutoring, Homework Club, or other academic enrichment opportunities

3:45 PM - 5 PM: Enrichment programs, recreational programming, experiential learning programming

5PM: Pick up, Walk to the Social Center, etc.

If your student is only interested in open library/academic enrichment then they are able to participate in only that hour of academics if they want! Please indicate this on the note section of the form.

YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR. Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.

All submissions are due on a rolling basis. Cut offs only occur when the programs are full.

Once we have received submissions, we will place you in as many of your preferred activities as possible.

If you need to submit for more than one child, please make separate submissions.

If you have any questions, please reach out to Marcaill Miller at mmiller@boquetvalleycsd.org or Gwen Westover at gwestover@boquetvalleycsd.org.

Thank you for your interest and we look forward to a very fun year!

Session 5: February 9th - March 19th

Mondays: **Volleyball**

This after-school volleyball program introduces students to the fundamentals of the game, including serving, passing, teamwork, and sportsmanship. Through skill-building drills and friendly gameplay, students will improve coordination, confidence, and communication in a positive, encouraging environment. The program is designed for all experience levels, from beginners to developing players. This program will begin Monday, February 23rd.

Tuesdays: **Baking Club**

Join Essex County Preventive Team Member, Mrs. Boyea, to make some yummy foods! There are a max of 6 students so sign up quickly to save your spot!

Wednesdays: **Mural Club**

Join the Mural Club and help bring our school walls to life with creativity and color! All skill levels are welcome — work together to design and paint murals that make a lasting impact. Express yourself, collaborate with others, and leave your mark!

Wednesdays: **4-H International Cookie Baking**

Join our baking program where you can explore the world one tasty cookie at a time! Each week, we'll whip up amazing cookies from different countries. You'll learn new baking skills, discover international flavors, and best of all, get to take home your amazing cookie creations to share with family and friends (or just enjoy yourself!). Join us for some baking fun!

Thursdays: **SPCA Community Service Club**

Join Mrs. Loher in this community service program where students volunteer at the SPCA. Participants learn about animal care, welfare, and advocacy while supporting shelter operations and making a positive impact in their local community.

Thursdays: **Free Swim**

Students will go to Moriah Central School to continue working and building their swimming skills. This is for students who are already proficient swimmers and can pass a swim test (including swimming width/length of pool, comfortable in water, etc). **This program will not run February 5th.**

Please note academic offerings occur everyday for the first hour of programming. Please indicate if your student wants to participate in only academic enrichment in the notes section otherwise they will be doing it before any of the above programs they select.

Please list the activities in order of preference:

Student Name:

- 1.)
- 2.)
- 3.)
- 4.)
- 5.)

Notes:
