

Boquet Valley Central School District

## **OASIS Sign Ups**

Lake View

Session 7

Dear Boquet Valley Parents and Guardians,

The OASIS after school program at Lake View began on Monday, September 8th and continues through the school year. If you would like your child/children to participate, **please fill out the ACAP/OASIS registration form** on the Boquet Valley Central School District website. Students can also pick up a hard copy version of the registration in the main office at Lake View. This program is rolling enrollment; however, it is split into sessions and students will not be able to participate until a new session starts. Your child **MUST** have a completed ACAP/OASIS form on file before they are able to participate in afterschool, early release day, weekend, or summer programming through OASIS.

**The program will run from 3:10PM to 5:15PM on Monday through Thursday on normal school days and is free to all participants and on early release days from 12-3pm.** The aims of the afterschool program are to improve academic performance, improve social emotional competencies, and help Boquet Valley students make successful transitions in school and to careers or higher education.

Each day, students will receive a snack, then participate in gamified academic enrichment, and their chosen program. We aim to provide a safe place for students to get help with their schoolwork, participate in engaging activities with their peers, and have an opportunity to try new experiences. We partnered with Cornell Cooperative Extension of Essex County, College for Every Student, Building Resilience in Essex Families, and other community organizations to provide engaging programming like nutrition education, career and college readiness, STEAM activities, social and emotional wellness activities, pottery, phonics, and so much more for our students.

If you have any questions or would like more information about the OASIS program, please email Program Coordinator Marcail Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org). We are looking forward to another great year of OASIS programming. Thank you for your continued support and feedback.

Sincerely,  
Marcail Miller  
OASIS Program Coordinator

Hello Griffins!

This sign up is for session 7! Your child needs an OASIS registration form filled out and submitted to the Lake View office BEFORE their first after school program. Please use this link for the registration forms: <https://boquetvalleycsd.org/oasis-after-school-program/>  
We also accept them via email or hard copies. If you need help with this or have any questions email Gwen Westover at ([gwestover@boquetvalleycsd.org](mailto:gwestover@boquetvalleycsd.org)).

This sign up will only count for the seventh session running from May 4th - June 4th.

Please see the schedule below:

3:10 - 3:25 PM: Snacks and unstructured play time

3:25 - 3:30 PM: Finish snack/clean up

3:30 - 5:00 PM: Programs

5:00 -5:10 PM: Family Pick Up

Please rank your activities in order of interest for the seventh session. If you only plan to participate on select days then please write that in the notes portion of this form and only mark the programs you want to attend.

**YOU MUST COMMIT TO THE PROGRAM YOU SIGN UP FOR.** *Ex: If you signed up to attend walking club then you must attend walking club (not another activity) every Monday for this six week session. Before the session is over, sign ups for the next session will go out and that is when you can choose a different activity on Monday.*

All submissions are due on a rolling basis. Programs will not accept students only if they are full.

We will place you in as many of your preferred activities as possible.

*If you need to submit for more than one child, please make separate submissions.*

If you have any questions, please reach out to Marcaill Miller at [mmiller@boquetvalleycsd.org](mailto:mmiller@boquetvalleycsd.org) or Gwen Westover at [gwestover@boquetvalleycsd.org](mailto:gwestover@boquetvalleycsd.org).

Thank you for your interest and we look forward to a very fun year!

## **Session 7: May 4th - June 4th:**

### **Mondays: Run/Walk/Floor Hockey Club**

**\*Grades 3-5 only.\***

Get ready to move, play, and have a blast! This after-school Walking/Running/Floor Hockey Club for grades 3–5 mixes energetic games, friendly challenges, and exciting floor hockey action so kids stay active while having tons of fun with friends. It's a great way to burn off energy, build skills, and leave OASIS smiling every day!

### **Tuesdays: Pottery**

**\*This is for grades 3-5 only.\***

Join Mr. Caldwell to work on learning more about pottery or to continue developing your potter skills. Max of 8 students.

### **Tuesdays: Gardening Club**

**\*This is for grades 3-5 only.\***

Our after-school Gardening Club for students in grades 3–5 offers a fun, hands-on way to explore nature while learning how to plant, grow, and care for a variety of flowers and vegetables. Students will build teamwork and responsibility as they nurture their own garden projects and discover the science behind how plants thrive. This engaging program encourages curiosity, outdoor activity, and a lasting appreciation for the environment.

### **Tuesdays: En Español: Art and Culture in Spanish**

**\*This is for grades 3-5 only.\***

"En Español: Art and Culture in Spanish" will explore art forms from Mexico.

Students will learn about various traditional arts and crafts of Mexico and then create art in that style.

Students will be exposed to Spanish language, culture and art.

### **Wednesdays: Strings**

**\*This is for grades 4-5 only.\***

This class is intended for students who are already enrolled in the 4th/5th Grade Strings program at Lake View and who currently receive small-group string lessons during the school day.

This course is a continuation of the Large Group Strings class previously held on Wednesdays, now offered through OASIS.

Students will continue developing foundational bow-to-strings ("hands together") technique, ensemble skills, and musical fluency appropriate for students beyond the beginner level.

Students not currently enrolled in the Lake View Strings program may register for a separate beginner strings class which may be offered in future OASIS sessions 6 and or 7 on a different day of the week. These students will be introduced to bow hold and beginner string skills, working parallel to, but not replacing, the instruction of more experienced string students.

Instrument availability is limited. BYOC or BYOV (Bring Your Own Cello or Violin) is strongly encouraged. They can be rented (per month) through Rawson Violins at Champlain Centre. I recommend a 1/4 size instrument.

Thursdays: **Drama 101**

**\*This is for grades 3-5 only.\***

We are offering a Drama 101 experience for students interested in trying this program out. Come learn all the fun and exciting ways to grow your confidence on the stage.

Thursdays: **Lego Stop Motion**

**\*Grades 3-5 only.\***

This program will cover an intro into stop motion and brainstorming, creating a storyboard, creation of setting a background, film production and editing. This group is welcoming of all levels.

Please contact Gwen Westover ([gwestover@bouquetvalleycsd.org](mailto:gwestover@bouquetvalleycsd.org)) to get the registration form or answer any questions.
