

2022-2025 Instructional Technology Plan - 2021

I. District LEA Information

Page Last Modified: 05/03/2022

1. **What is the name of the district administrator responsible for entering the Instructional Technology Plan data?**

Josh Meyer

2. **What is the title of the district administrator responsible for entering the Instructional Technology Plan data?**

Superintendent

For help with completing the plan, please visit 2022-2025 ITP Resources for Districts on our website, contact your district's RIC, or email edtech@nysed.gov.

2022-2025 Instructional Technology Plan - 2021

II. Strategic Technology Planning

Page Last Modified: 05/03/2022

1. What is the overall district mission?

The MISSION of the Boquet Valley Central School District is to produce a hard-working, responsible, productive citizen who has acquired the knowledge and ability to be a capable contributing member of a local and global community.

We will accomplish this by providing opportunities that stimulate students' curiosity, using developmentally appropriate and relevant curriculum in an exciting, interactive, and safe learning environment.

2. What is the vision statement that guides instructional technology use in the district?

The VISION of the Boquet Valley Central School District is to become the best rural school in New York State.

We will accomplish our vision by providing exceptional opportunities to all learners and preparing them to set and reach their future goals by embedding our core values into their student experience.

3. Summarize the planning process used to develop answers to the Instructional Technology Plan questions and/or your district comprehensive Instructional Technology Plan. Please include the stakeholder groups participating and the outcomes of the instructional technology plan development meetings.Committee Overview

Boquet Valley Central School is a small rural central school located in the heart of the Adirondack Mountains. We house PK-12 classes in two buildings, Lake View Elementary and Mountain View Middle and High School. The average student population of each building is approximately 220.

The technology committee meets on a monthly basis to coordinate the progress of the technology program at Boquet Valley.

Membership of the committee is comprised of:

- District Administrators
- Teachers
- Technology Specialist (NERIC)
- Chief Information Officer
- Parent Representative

4. How does the district's Instructional Technology Plan build upon, continue the work of, and improve upon the previous three-year plan?Committee Accomplishments

With this document, the Boquet Valley Central School District moves into the first three-year phase of our technology planning. In order to see where we are going, we first have to review what we have accomplished to this point.

We continue to survey both students and staff to determine our district's needs. The findings of these surveys have resulted in the improvements listed below.

Staff development has progressed to a point that all our faculty use technology at some time during the course of the school day.

2022-2025 Instructional Technology Plan - 2021

II. Strategic Technology Planning

Page Last Modified: 05/03/2022

Training in the use of specialized hardware and specific software is ongoing and accomplished in the following ways:

- Staff Development Days
- North Country Teacher Resource Center (NCTRC) in service classes
- 1:1 Mentoring
- Northeastern Regional Information Center (NERIC)
- Champlain Valley Educational Services (CVES)

Period by period attendance is recorded with the use of the District's student management software. Daily attendance is distributed by e-mail to faculty and staff.

Student outcomes (iReady benchmarks), have been updated and revised. A system to document skills mastered has been established.

- We currently support a 1:1 initiative with chromebooks in grades 6-12 and classroom sets in grades K-5.
- Our plan is to phase out Smartboards as they break and replace them with Promethean boards.

Boquet Valley recently purchased a new filtering solution called Lightspeed Relay.

We are continuing our program of adding/updating our network, computers, printers, and associated systems.

5. How does the district Instructional Technology Plan reflect experiences during the COVID pandemic?

The pandemic forced the acceleration of our plan and achieving our goals of reaching 1:1 with all of our students.

6. Is your district currently fully 1:1?

Yes

7. Please describe the professional development plan for building the capacity of educators and administrators in the attainment of the instructional technology vision as stated in response to question 2.

We currently support a 1:1 initiative with chromebooks in grades 6-12 and classroom sets in grades K-5.

For help with completing the plan, please visit 2022-2025 ITP Resources for Districts on our website, contact your district's RIC, or email edtech@nysed.gov.

2022-2025 Instructional Technology Plan - 2021

III. Goal Attainment

Page Last Modified: 05/03/2022

Overview: In this new section, the District is asked to outline the extent to which they have achieved, at the local level, goals put forth in the 2010 Statewide Learning Technology Plan.

1. Digital Content – The District uses standards-based, accessible digital content that supports all curricula for all learners.

The district has met this goal:

Fully

2. Digital Use – The District's learners, teachers, and administrators are proficient in the use of technology for learning.

The district has met this goal:

Fully

3. Digital Capacity and Access – The District's technology infrastructure supports learning and teaching in all of the District's environments.

The district has met this goal:

Minimally

4. Leadership – The District Instructional Technology Plan is in alignment with the Statewide Learning Technology Plan vision.

The district has met this goal:

Fully

5. Accountability – District-level information is posted on the District website, is easy to access, and is easily understood. Information provided includes the results achieved by the District in their efforts to enable students to build knowledge, master skills, and grasp opportunities for a better life.

The district has met this goal:

Minimally

For help with completing the plan, please visit 2022-2025 ITP Resources for Districts on our website, contact your district's RIC, or email edtech@nysed.gov.

2022-2025 Instructional Technology Plan - 2021

IV. Action Plan - Goal 1

Page Last Modified: 06/10/2022

1. Enter Goal 1 below:

1. Our students will become proficient in the technology available to them, specifically their 1:1 device.

2. Select the NYSED goal that best aligns with this district goal.

Increase equitable access to high-quality digital resources and standards-based, technology-rich learning experiences

3. Target Student Population(s). Check all that apply.

- All students
- Early Learning (Pre-K -3)
- Elementary/intermediate
- Middle School
- High School
- Students with Disabilities
- English Language Learners
- Students who are migratory or seasonal farmworkers, or children of such workers
- Students experiencing homelessness and/or housing insecurity
- Economically disadvantaged students
- Students between the ages of 18-21
- Students who are targeted for dropout prevention or credit recovery programs
- Students who do not have adequate access to computing devices and/or high-speed internet at their places of residence
- Students who do not have internet access at their place of residence
- Students in foster care
- Students in juvenile justice system settings
- Vulnerable populations/vulnerable students
- Other (please identify in Question 3a, below)

4. Additional Target Population(s). Check all that apply.

- Teachers/Teacher Aides
- Administrators
- Parents/Guardians/Families/School Community
- Technology Integration Specialists
- Other

5. How will this instructional technology goal be measured and evaluated during and after implementation? Be sure to include any tools and/or metrics that are part of this evaluation process. Examples might be formative data, local, state, and/or national LEA benchmarks, metrics from instructional software, other technology evaluation programs, etc.

Evaluation

Evaluation of our technology program is ongoing with review of programs and infrastructure during technology committee meetings. Periodic surveying of faculty and students will help us focus on the school's technology needs. To achieve these goals our committee will continue to survey faculty, staff, office staff and students to assess:

- Staff development & training needs
- Computer hardware, software and peripheral equipment needs

2022-2025 Instructional Technology Plan - 2021

IV. Action Plan - Goal 1

Page Last Modified: 06/10/2022

- Revising our technology benchmarks for students to include instruction in all predetermined and prioritized curriculum areas and to identify which teachers teach the skills identified at each benchmark level

6. List the action steps that correspond to Goal #1 from your answer to Question 1, above. All cells in the table must be populated. If you have less than four action steps for this goal, you must enter N/A into columns two, three, four, five, and seven, and choose June 30, 2021 in the date column for all unneeded rows in the table.

| | Action Step | Action Step - Description | Responsible Stakeholder: | 'Other' Responsible Stakeholder | Anticipated date of completion | Anticipated Cost |
|---------------|---------------|--|-------------------------------------|---------------------------------|--------------------------------|------------------|
| Action Step 1 | Budgeting | funding stream to continue to provide devices | Superintendent | Admin Team | 08/31/2022 | \$30,000 |
| Action Step 2 | Collaboration | Professional Development committee will work together to prepare a curriculum to allow for proficiency | Other (please identify in Column 5) | PD Committee | 08/31/2022 | \$10,000 |
| Action Step 3 | Curriculum | Teachers implement curriculum for students to become proficient on their devices | Classroom Teacher | Principals | 08/31/2022 | N/A |
| Action Step 4 | N/A | N/A | N/A | N/A | 08/31/2022 | N/A |

7. This question is optional.

If more action steps are needed, continue to list the action steps that correspond to Goal #1 from your answer to Question 1, above.

| | Action Step | Action Step - Description | Responsible Stakeholder: | "Other" Responsible Stakeholder | Anticipated date of completion | Anticipated Cost |
|---------------|---------------|---------------------------|--------------------------|---------------------------------|--------------------------------|------------------|
| Action Step 5 | (No Response) | (No Response) | (No Response) | (No Response) | (No Response) | (No Response) |
| Action Step 6 | (No Response) | (No Response) | (No Response) | (No Response) | (No Response) | (No Response) |

2022-2025 Instructional Technology Plan - 2021

V. NYSED Initiatives Alignment

Page Last Modified: 05/03/2022

1. **Explain how the district use of instructional technology will serve as a part of a comprehensive and sustained effort to support rigorous academic standards attainment and performance improvement for students.**

- Revising our technology benchmarks for students to include instruction in all predetermined and prioritized curriculum areas and to identify which teachers teach the skills identified at each benchmark level

As a recently merged school district, we have adjusted our campuses from two K-12 campuses to one K-5 campus and one 6-12 campus. This restructuring along with the current COVID-related remote learning requirements, neither building was suitable to handle the needs of the student or the teachers. Certain parts of the building were fine, but universal wifi throughout the buildings is not. These funds will be used to improve the existing wifi and expand the current coverage throughout both campuses.

2. Explain the strategies the district plans to implement to address the need to provide equitable learning “everywhere, all the time” (National Technology Plan). Include both short and long-term solutions, such as device access, internet access, human capacity, infrastructure, partnerships, etc.

The district continues to work with community partners including the Towns of Lewis, ELizabhtown, Westport, and Essex County in efforts to bring broadband, microwave and other options for internet access to the homes in our district.

3. **Students with disabilities may be served through the use of instructional technology as well as assistive technology devices and services to ensure access to and participation in the general education curriculum. Describe how instruction using technology is differentiated to support the individual learning needs of students with disabilities.**

The district will place a priority on addressing the needs of students who struggle to succeed in a rigorous curriculum.

Students with disabilities have equitable access to all needed technology as outlined and documented in their IEPs. The IEP is determined based on a stakeholder meeting for each student.

4. **How does the district utilize technology to address the needs of students with disabilities to ensure equitable access to instruction, materials, and assessments? Please check all that apply from the provided options and/or check 'Other' for options not available on the list.**

- Class lesson plans, materials, and assignment instructions are available to students and families for "anytime, anywhere" access (such as through a class website or learning management system).
- Direct instruction is recorded and provided for students to access asynchronously (such as through a learning management system or private online video channel).
- Technology is used to provide additional ways to access key content, such as providing videos or other visuals to supplement verbal or written instruction or content.
- Text to speech and/or speech to text software is utilized to provide increased support for comprehension of written or verbal language.
- Assistive technology is utilized.
- Technology is used to increase options for students to demonstrate knowledge and skill.
- Learning games and other interactive software are used to supplement instruction.
- Other (please identify in Question 4a, below)

5. **Please select the professional development that will be offered to teachers of students with disabilities that will enable them to differentiate learning and to increase student language and content learning through the use of**

2022-2025 Instructional Technology Plan - 2021

V. NYSED Initiatives Alignment

10. How does the district use instructional technology to facilitate culturally responsive instruction and learning environments? Please check all that apply from the provided options and/or check 'Other' for options not available on the list.

a) The district uses instructional technology to strengthen relationships and connections with families to assist in building a culturally

2022-2025 Instructional Technology Plan - 2021

V. NYSED Initiatives Alignment

Page Last Modified: 05/03/2022

responsive learning environment to enhance student learning.

- b) The district uses instructional technology to facilitate classroom projects that involve the community.
- c) The district uses instructional technology to develop and organize coherent and relevant units, lessons, and learning tasks that build upon students' cultural backgrounds and experiences.
- d) The district uses instructional technology to assist in varying teaching approaches to accommodate diverse learning styles and language proficiencies.
- e) The district uses instructional technology to enable students to communicate and collaborate with students in different schools or districts in New York State, the United States, or with different countries.
- f) The district uses instructional technology to facilitate collaborative classroom projects among heterogeneous student groups.
- g) Other (please identify in Question 10a, below)

For help with completing the plan, please visit 2022-2025 ITP Resources for Districts on our website, contact your district's RIC, or email edtech@nysed.gov.

2022-2025 Instructional Technology Plan - 2021

VI. Administrative Management Plan

Page Last Modified: 06/17/2022

1. Staff Plan

Provide the Full-Time Equivalent (FTE) count, as of plan submission date, of all staff whose primary responsibility is delivering technology integration training and support and/or technical support.

| | Full-time Equivalent (FTE) |
|--------------------------------|----------------------------|
| District Technology Leadership | 0.00 |
| Instructional Support | 0.00 |
| Technical Support | 1.00 |
| Totals: | 1.00 |

2. Investment Plan

Provide a three-year investment plan to support the vision and goals. All costs must be calculated for the entire three year-period, not annualized. For example, if a cost occurs annually, the estimated cost should include the annual cost times three.

Provide a three-year investment plan to support the vision in Section II and goals in Section IV.

A chart with drop-down choices is provided in order for NYSED to obtain consistent responses to this question.

All cells in the table must be populated. If you have less than four items in your plan, you must choose N/A for columns one, two, four, five and six, and put zero in column three (estimated cost) for each unneeded row.

| | Anticipated Item or Service | "Other" Anticipated Item or Service | Estimated Cost | Is Cost One-time, Annual, or Both? | Potential Funding Source | "Other" Funding Source |
|---|-----------------------------|-------------------------------------|----------------|------------------------------------|---|------------------------|
| 1 | End User Computing Devices | N/A | 50,000 | Annual | <input checked="" type="checkbox"/> BOCES Co-Ser purchase <input checked="" type="checkbox"/> District Operating Budget <input type="checkbox"/> District Public Bond <input type="checkbox"/> E-Rate <input checked="" type="checkbox"/> Grants <input type="checkbox"/> Instructional Materials Aid <input type="checkbox"/> Instructional Resources Aid <input checked="" type="checkbox"/> Smart Schools Bond Act <input type="checkbox"/> Other (please identify in next column, | N/A |
